Setting up an Academy School: Legal & Practical Issues

London 4 March 2010

Manchester 11 March 2010

- Understanding the key steps & documents on different types of academy procurements
- Best practice on Governance issues
- Discover how to deal with property and development issues

Presented by Peter Hill & James Hudson

This seminar will look at the key steps in setting up an academy school and look at documentation for different types of academy procurements as well as touching on governance, property and development issues. It will consist of 2 short presentations designed to minimise time away from the office including refreshments and a chance to network with colleagues working on other Academy Schemes. The course will be delivered by two experienced practitioners and will provide practical advice and know-how to help ensure your academy project is a success.

Course Administration

The seminars will be held on Thursdays with registration commencing at 2pm and presentations starting at 2.30pm. Each session lasts for 2.5 hours.

Our courses are delivered by leading experts in the field of public service partnerships who will use their experience and expertise to provide practical training for delegates.

Our courses are fully accredited for CPD by the SRA Reference: **CHS/PRPA**.

Places are strictly limited so book early to avoid disappointment:

Setting up a Social Enterprise for Public Service Delivery

London 22 April 2010

Manchester 29 April 2010

- Examine the type of legal structures available
- Signpost the key commercial legal issues involved
- Highlight key risks to be aware of

Presented by Owen Willcox & Pav Jawanda

This course is designed to firstly look at the common commercial issues which you should be aware of when delivering public sector services, as well as how to avoid or manage the key risks which may arise. Following a short refreshment break and a chance to network, we will then look at what issues you should be aware of when considering what type of legal entity is required for you to achieve your organisation's values and aims. We will then walk you through the different types of unincorporated and corporate legal structures which may be used as a vehicle for your organisation – charitable or non-charitable.

Delegate Feedback

"Found the venue and organisation excellent. Speakers allowed for questions and gave particular examples that were relevant to my particular situation"

Assistant Director, LB Lambeth

"Very informative presentations, very worthwhile, all useful and practical"

Contracts Lawyer, LB Ealing

"I like the atmosphere at TPP as it is much more relaxed than most legal practices"

Finance Officer, LB Lewisham

About TPP Law

We provide high quality legal and commercial advice. We also offer training and business information for the development of public service partnerships and projects. These include PPP projects, outsourcing contracts, joint ventures, social enterprises and community regeneration.

TPP Law are active in the sectors of education, health and social care, leisure services, housing and regeneration, accommodation and 'back-office' services. Our clients include local authorities, service providers, contractors, not-for-profit organisations, social enterprises and funders.

Seminar Bookings - Terms and Conditions

The organisers reserve the right to change the programme content, timings or venue and to decline bookings where they are not in line with course objectives.

Should you book but do not attend we reserve the right to invoice you a nominal administration fee of £15 plus VAT, unless we have been notified in advance by writing by at least three working days. We cannot be held responsible for transport disruption or industrial action which delays your arrival.

Delegates may be substituted, at any time and at no cost.
